PRODUCTION

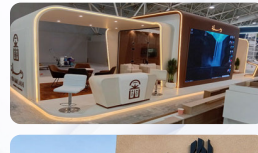
VENTTAT PRODUCTION

Venttat Production is a fully integrated production and engineering division specializing in custom fabrication, fit-outs, and high-end spatial solutions designed for commercial, hospitality, retail, lifestyle, and operational environments.

Located in North Riyadh, our facility spans over 5,000 square meters of advanced production infrastructure, enabling us to execute large-scale projects with precision, efficiency, and high production capacity.

We transform concepts into fully realized physical environments through turnkey production solutions that combine craftsmanship, engineering expertise, and modern fabrication technologies.

From custom interiors and architectural elements to branded environments and premium installations, our production capabilities are built to support projects of all scales with high attention to quality, detail, and execution excellence.



SERVICES & SOLUTIONS INCLUDE

WOOD WORKS

Custom wood fabrication solutions designed to create refined interior environments and tailored spatial experiences that combine functionality, aesthetics, and craftsmanship.

- Commercial and office fit-outs
- Restaurants and café interiors
- Luxury hospitality environments
- Custom furniture and structures
- Retail and lifestyle spaces
- Bespoke indoor wood concepts

CLADDING SOLUTIONS

Premium cladding systems designed to enhance architectural identity and elevate the visual appearance of both interior and exterior environments.

- Interior architectural cladding
- Exterior façade systems
- Commercial environments
- Hospitality destinations
- Luxury and modern finishes
- Custom architectural applications

IRON WORKS

High-quality metal fabrication solutions engineered for structural durability, architectural functionality, and custom operational applications across indoor and outdoor environments.

- Structural metal fabrication
- Gates and entrance systems
- Outdoor and architectural elements
- Custom frameworks and supports
- Decorative metal installations
- Industrial and commercial applications

ACRYLIC SIGNAGE

Custom illuminated and non-illuminated signage solutions designed to strengthen brand visibility and create impactful visual presence.

- Commercial signage systems
- Illuminated branding elements
- Retail and hospitality signage
- Directional and wayfinding systems
- Custom acrylic installations
- Architectural branding applications

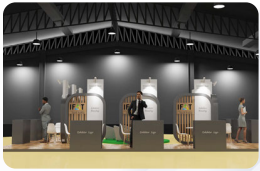
DESIGN

VENTTAT DESIGN

We transform ideas into spaces, environments, and experiences shaped by creativity, identity, and functionality.

Venttat delivers creative design solutions across residential, commercial, hospitality, and lifestyle sectors, creating environments that balance aesthetics, operational flow, and user experience.

Our approach focuses on designing meaningful spaces that reflect the vision of every project while transforming concepts into immersive and visually impactful realities.



SERVICES & SOLUTIONS INCLUDE

INTERIOR & SPACE DESIGN

Designing environments that combine aesthetics, comfort, functionality, and operational efficiency.

- Residential spaces and villas
- Restaurants and cafés
- Offices and commercial environments
- Hospitality and lounge concepts

BRANDING & VISUAL CONCEPTS

Building visual identities and creative concepts tailored for brands, destinations, and commercial environments.

- Restaurant and café branding
- Hospitality concepts
- Lifestyle campaigns and activations
- Commercial visual identities
- Spatial branding systems

SPATIAL & EXPERIENCE DESIGN

Developing immersive environments and spatial concepts that create memorable experiences and strong visual identity.

- Luxury celebrations and private gatherings
- Seasonal destinations and activations
- Hospitality concepts
- Interactive environments
- Stage and spatial experiences

DESIGN

VENTTAT DESIGN

SERVICES & SOLUTIONS INCLUDE

CUSTOM DESIGN SOLUTIONS

Tailored design solutions developed to fit the unique character and purpose of every project.

-Pop-up concepts -Luxury setups
-Temporary and permanent environments
-Commercial and hospitality spaces
-Bespoke design experiences

•3D MODELING

We develop detailed and accurate 3D models that turn concepts into realistic structures and environments. From custom booths and stages to furniture and architectural elements, our modeling process ensures precision, functionality, and a clear visual representation before production and execution.

•3D DESIGNS

We create high-quality 3D event designs that transform ideas into realistic visual concepts. From staging and booth structures to seating layouts and branding elements, every detail is designed to help clients fully visualize the event before execution.

•WALKTHROUGHS

Our walkthroughs provide an immersive virtual experience, allowing clients to explore the event space before it is built. This helps in understanding guest flow, spatial planning, lighting, and the overall event atmosphere with clarity and confidence.

•4D SIMULATIONS

Our 4D simulations bring events to life by adding movement, timing, and real-time interaction to the design. These simulations demonstrate how lighting, screens, effects, performances, and audience movement will function throughout the event experience

- Personalized branding elements
- Interactive visual concepts
- Bespoke production solutions

FOR MORE INFORMATION

SHOPFIT

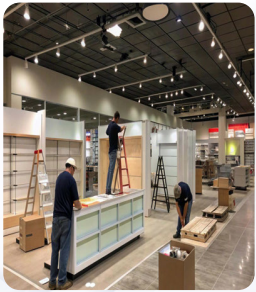
VENTTAT SHOPFIT

We Build Spaces That Bring Ideas to Life.

At **VENTTAT SHOPFIT**, we transform empty spaces into fully functional environments designed .

As a specialized division of VENTTAT, we provide complete interior fit-out and contracting solutions.

From interior finishes and architectural details to lighting, HVAC, electrical, plumbing, décor, and equipment, our team brings every element together under one integrated solution.



WHAT WE DO

Our expertise covers the complete interior fit-out journey, including:

INTERIOR FIT-OUT

Transforming spaces through high-quality architectural finishes, partitions, ceilings, flooring, and bespoke interior elements.

MEP & TECHNICAL WORKS

Delivering integrated electrical, plumbing, HVAC, and mechanical solutions designed around the requirements of each space.

LIGHTING & DÉCOR

Creating the right atmosphere through carefully selected lighting solutions, decorative elements, and finishing details.

EQUIPMENT & INSTALLATION

Supplying and installing the equipment required to make spaces fully operational.

BUILT TO PERFORM. DESIGNED TO IMPRESS.

At VENTTAT SHOPFIT, we don't simply build interiors.

We create environments where brands can grow, businesses can operate, and customers can experience something memorable.

Whether it's a beauty salon, restaurant, retail space, or commercial destination, our team is equipped to take the project from an empty shell to a fully finished and operational space.
